Section 1 – Introduction

This directory provides a list of FirstMedicare Direct's network providers.

We encourage you to choose one of our network providers listed in this directory to be your **PPrimary CCare PProvider (PCP)**.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Other providers are available in our network.

Out-of-network providers are under no obligation to treat FirstMedicare Direct enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Services Department at (877) 210-9167, 8 a.m. to 8 p.m., Local Time, 7 days a week. From April 1-September 30, voicemail will be used on weekends and holidays. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

If you obtain routine care from out-of-network providers, it may cost more than if you went to an in-network provider.

If you receive care from an out-of-network provider and receive a bill from that provider, you should not pay it. Instead, please submit it to FirstMedicare Direct so we can determine what, if any, of the fees you actually must pay.

Emergency care can always be obtained in or out of the service area from the nearest available provider.

If you have a medical emergency:

- **Get help as quickly as possible.** Call 911 for help or go to the nearest emergency room, Hospital or urgent care center. Call for an ambulance if you need it. You do not need to get approval or a referral first.
- **As soon as possible, make sure to tell FirstMedicare Direct about your emergency.** We need to follow up on your Emergency Care. You or someone else should call to tell us about your Emergency Care, usually within 48 hours.

HMO-POS members: If you obtain routine care from out-of-network providers, your costs may be higher.

What is the service area for FirstMedicare Direct?

The counties in our service area are listed below.

North Carolina: Chatham, Cumberland, Harnett, Hoke, Johnston, Lee, Montgomery, Moore, Richmond, Robeson, Scotland, Wake (HMO-POS plans only)
